**IMPORTANT INFORMATION - PLEASE READ IN FULL**

Dear Tarpon Arts Patron,

We hope you are enjoying our current season of shows and events! We officially wrap up the 2022-2023 Season on July 30! The entire staff of Tarpon Arts appreciates your patronage and support. We've sold out more shows this season than any other season in our 36-year history! So, in addition to my sincere thanks, I'd like to share some exciting news and a few changes!

A Tarpon Arts membership is important to our continued success because membership fees provide our department with supplemental income that gives us more leverage to book high quality entertainment while keeping our ticket prices reasonable for you. The costs of live entertainment have increased markedly in the last year, and we are committed to keeping show standards high, therefore, **beginning August 1, 2023, membership fees and benefits will change.** Our current members will not be affected until the membership renewal date unless you choose to change your current membership to a different level. If you renew or upgrade your membership prior to August 1, 2023, you can do so at the current membership level prices.

A Tarpon Arts membership provides multiple benefits during the 12-month period in addition to saving you money on tickets. Please review the enclosed member benefit list outlining the new pricing and updated member benefits by membership level. To unveil our new season, Tarpon Arts Members will be among the first to receive a 2023-2024 Season brochure by mail in late July (please be sure we have your correct postal address), and the TarponArts.org website will be populated with new show information and preview videos. **Members will have the opportunity to buy show and event tickets prior to our public on sale and choose desired seat locations. Members will also have 10 weekdays, instead of 5 weekdays to purchase member tickets.** On the specified dates below, according to membership level, you are welcome to buy tickets *in person* at the Heritage Museum, 100 Beekman Lane, 10:00 AM – 4:00 PM or by calling the ticket office: 727.942.5605. Please note that voice messages left at this number will be answered in the order received (calls are date and time stamped). There will be **no online ticket purchases until Saturday, August 19** when ticket sales open to the general public.

**Why is Tarpon Arts implementing this new ticket procedure?** With a 295-seat theater and many loyal patrons, **we want to be fair about access to desired seating for shows.** Fortunately, all 295-seats have an unobstructed view of the stage however many patrons have specific preferences on seating such as the first row, aisle seats, handicap seats, etc. When we go on sale for members, some patrons are out of town or out of state at the time and do not have the ability to visit the Heritage Museum to buy tickets and select their seats. Most members also like to take advantage of the increased member discounts with the *Series of Six* and *Four Fan Packs*. When our staff is processing multiple show purchases, it is a time-consuming process. With limited staff, we do our best to accommodate everyone in a prompt, professional manner and this new procedure for member ticket purchases will help us to be fair and accommodate all of our members. Let me close by saying that the new 2023-2024 is jam packed with amazing talent! We are excited to announce and celebrate this new, stellar season soon!

Sincerely,

Diane Wood, Cultural & Civic Services Director
